Watch Care & Maintenance Guide

To keep your Chelys luxury watch in perfect condition, follow these care tips:

1. Cleaning:

- Use a soft microfiber cloth to wipe the watch.
- Avoid using harsh chemicals or water on leather straps.

2. Storage:

- Store your watch in a dry place, away from extreme temperatures.
- Use a watch box to prevent scratches.

3. Servicing:

- Have your watch serviced every 2 years by a professional watchmaker.
- Ensure seals and gaskets are checked for water resistance.
